Monitoring Visit

1. Describe monitoring activities (walked all boundaries, accessed interior, viewed from the road only): viewed the property from Willow Ave & East Main Road and on recent aerial photography from Spring 2019.

2. Were boundaries clearly marked and identifiable? Yes No
Notes: Boundary has been digitized in GIS from a survey plan. It was reviewed on high resolution aerial photographs taken from Spring 2019.

3. List and describe any observations of human alterations or management activity (construction, clearing, harvest, trails, etc.) that represent changes from the previous visit or from conditions recorded in the baseline document: Conservation area is primarily active nursery land, and open wet field with two ponds ringed with emergent wetland.

4. Are these activities permitted in the conservation easement or deed? Yes No

All current activities are permitted in the DDR.

5. List and describe any other observations, needs, comments etc. that may be affecting the condition of this property: *None noted.*

6. To the best of your knowledge and observation, are the conservation values of this property being preserved and do all activities comply with existing restrictions (as referenced in the conservation easement, deed, etc.)? Yes No

If no, please describe: *No other observations of note.*

7. Please include any additional comments and reference any additional materials provided (photos, annotated maps, etc.) from the monitoring visit here:

Note Lot change to 2-5 for both Goulart conservation areas.
